

REQUEST FOR PROPOSAL

CareFlow — Patient & Telehealth Management Platform

Issued by: MediConnect Health Systems | RFP Reference: RFP-MC-2026-TECH-01 | Issue Date: March 15, 2026 | Response Deadline: April 18, 2026, 17:00 PST

1. Overview & Purpose

MediConnect Health Systems invites qualified technology vendors to submit proposals for the design, development, and deployment of a unified Patient and Telehealth Management Platform (CareFlow). The selected vendor will replace three existing legacy systems and deliver a HIPAA-compliant, cloud-native SaaS solution within a 32-week timeline.

2. Organisation Background

MediConnect operates 47 outpatient clinics in Washington, Oregon, and Idaho with approximately 620 licensed providers and 180,000 active patients. Annual revenue: \$310M. We process ~850,000 appointments per year. Current systems: Athena Health v14 (EHR), in-house PHP scheduling portal (circa 2014), Microsoft Teams (ad-hoc telehealth). IT team: 23 staff.

3. Scope Summary

Module	Description
Patient Portal	Self-service booking, records, secure messaging
Provider Dashboard	Schedule management, patient queue, notes
Telehealth	WebRTC video, virtual waiting room, recording
Reminder Engine	Automated SMS/email at T-48h and T-2h
Admin Portal	User management, analytics, compliance reporting
Mobile Apps	iOS and Android (React Native)
EHR Integration	Athena Health API v2 (Phase 2)
Data Migration	Legacy scheduling data import

4. Mandatory Vendor Requirements

- Proposals failing any of the following will be rejected without further evaluation:
- Minimum 3 years experience delivering HIPAA-compliant healthcare software
 - At least 2 reference clients with comparable patient portal implementations (>50,000 patients)
 - AWS-certified architects on the delivery team

- Demonstrated SOC 2 Type II certification or active audit in progress
- US-based legal entity; all PHI processed on US soil only

5. Evaluation Criteria

Criterion	Weight
Technical approach & architecture quality	25%
Relevant healthcare experience & references	20%
Security & HIPAA compliance posture	20%
Proposed timeline & project methodology	15%
Total cost of ownership	15%
Team qualifications & staffing plan	5%

6. Submission Instructions

Submit proposals electronically to procurement@mediconnect.health by April 18, 2026 at 17:00 PST. Subject line: 'CareFlow RFP Response — [Vendor Name]'. Questions must be submitted by April 4, 2026; responses published April 10, 2026.
